Mirio

## HI!

I'm Kaitlyn. I'm a UX designer and researcher based in DFW, Texas. I thrive on the challenge of understanding user needs and translating them into intuitive and engaging designs. I strive to use empathy, curiosity, and collaboration in all of my work. I believe that as a UX designer, it is my duty to be an advocate for all of my users and design responsibly and carefully.

## WORK EXPERIENCE

### Mouser Electronics

#### UX Designer II | September 2023 – Present

- Worked with other Jr. Designers to create a documentation style for Mouser's UX team.
- Remained the main UX designer for the Site Commerce value area.

#### UX Designer I | May 2022 – September 2023

- Balance user needs, business objectives, and technical feasibility to effectively solve problems and deliver high-quality experiences.
- Ensure consistency, usability, and accessibility across multiple features while maintaining integrity in design efforts
- Collaborate with leadership and colleagues to define and execute strategies and projects, fostering effective cross-functional teamwork

### Lane Supply Inc.

#### Accounting Assistant | Sept 2021 – May 2022

- Assist accounting staff with various tasks including filing and retrieving documents and folders, data entry, and other organizational tasks.
